-All prices are in BGN, VAT incl.

-Duration of winter season 2023 - 2024: from 16.12.2023 to 14.04.2024

-A student lift pass/ticket can be purchased upon presentation of a valid and certified student card

-A high school student lift pass/ticket can be purchased by students aged 12 to 18 (incl.) upon presentation of a document certifying the person's age

-The lift pass/ticket for kids up to 6 y.o. and lift pass/ticket for children from 7 to 11 y.o. (incl.) can only be purchased and used when the child is accompanied and upon presentation of a document certifying the child's age.

-One adult can accompany up to 2 kids (up to 7 y.o.). The period of validity of the pass for kids up to 7 y.o. must correspond to the period of validity of the accompanying person's pass - it must not be valid for a shorter period than the child's pass

-The lift pass/ticket for retirees up to 74 y.o. (incl.) can be purchased

upon presentation of a pension granting order (pension decision).
Retirees over 75 y.o. can purchase a lift pass for pensioners, upon presentation of a document certifying the person's age.

-Lift passes valid for more than three days, passes for kids up to 6 y.o. and for retirees over 75 y.o. contain the name, surname and photo of the beholder.

-The half-day lift pass can be purchased after 12:00 p.m., but the service is activated at 12:30 p.m. and allows the use of all lifts located on the territory of the ski area, until the end of their working time for the respective day.

-A ticket for the gondola lift for persons with disabilities can be purchased upon presentation of a valid Expert decision issued by a competent authority, certifying the degree of permanently reduced work capacity/type and degree of disability of the person.

-A ticket for the gondola lift for a person accompanying a person with disabilities, in cases where the latter is entitled for such assistance and this is expressly recorded, can be purchased upon presentation of a valid expert decision issued by a competent authority, certifying the degree of permanently reduced working capacity/type and a document certifying the need of assistance.

-The two-way gondola lift ticket can be used in both directions on the same day or in two different directions on different days (without repeating the direction) until the end of the announced season during which the ticket was purchased.

-The seasonal lift pass, the gondola lift ticket (two-way), including the gondola lift ticket for persons with disabilities, the ticket for an accompanying persons, passes and tickets for kids up to 6 y.o. and for retirees over 75 y.o. are not subject to any other reduction.

-The seasonal lift pass is valid during the specified working hours of the Ski Center for the period of the winter season.

-The year-round lift pass is valid during the specified opening hours of the Ski Center when the lifts are in operation, for the period of the winter and summer seasons.

-The seasonal lift pass and the year-round lift pass provide the use of a fast access corridor for the gondola lift during the winter season.

-Chip card deposit - BGN 5.

-The service for a half-day lift pass, as well as for lift passes with a duration between 1 to 6 days (incl.) is validated on one-time chip cards for which no deposit is required.

-Mountain insurance is included in the price of lift passes and tickets.

-The resort operator reserves the right to change the start and end date of the season depending on weather conditions, snow cover and other force majeure circumstances.

-The resort operator reserves the right to change the price of the lift tickets in the event of objective reasons leading to an increase in costs for the service provided (changes of prices of electricity, fuel, etc.).
